A Message From The President

Good Evening and welcome to the 71st annual Save an Eye All Star Football game. We at the Erie Lions Club are proud to have been able to host this Erie Tradition since 1939. Tonight we also celebrate this event as one of America's longest running High School All Star Games.

As we prepare to watch another hard-fought, well-played contest, I would also like to welcome all of the past players and coaches in attendance. Over the past 70 years, more that 4,100 players, coaches and officials have participated in this Summer Classic.

I'd like to offer our congratulations, best wishes and many thanks to tonights players and their families for participating in this game which will help the Lions Club raise money for a very worthwhile cause. Because of your commitment to tonights game, no child in Erie County will suffer from a lack of needed eye care.

Thanks to all of you who chose to attend this summer sports spectacular. Your attendance over the years has helped us provide more than $3 million in services for deserving youth in our community. Thank you for helping the Erie Lions Club as we work to complete our mission.

I would also like to thank all of those who help make this event possible; our coaches; officials; my fellow members of the Erie Lions Club for your ongoing dedication; our game presenter, Hamot Sports Medicine; all of our wonderful sponsors and all the members of our community for your continued support of the Lions Club and Save an Eye Game.
Have a great evening.

PARIS CLEANERS

The "Official" Cleaners of the Save an Eye Game

We "SEE" to it that YOUR cleaning is done with the highest quality, lowest price, and best service available.

Congratulations to the players, coaches, patrons, sponsors and attendees of this year's game. Thanks to YOU the Erie Lions Club can carry on its needed mission of providing preventative and corrective eye care to children.

Since the beginning of the Save an Eye Game 71 years ago, the Erie Lions Club has provided the equivalent of $3,000,000 worth of eye care to over 17,000 Erie County children and supported many other services for the visually impaired, thanks to YOUR support.
