A Message From The President

Good Evening and welcome to the 73rd annual Save an Eye All Star Football game. We at the Erie Lions Club are proud to have been able to host this Erie Tradition since 1939. Tonight we also celebrate this event as one of America's longest running High School All Star Games.

As we prepare to watch another hard-fought, well-played contest, I would also like to welcome all of the past players and coaches in attendance. Over the past 72 years, more that 4,100 players, coaches and officials have participated in this Summer Classic.

I'd like to offer our congratulations, best wishes and many thanks to tonights players and their families for participating in this game which will help the Lions Club raise money for a very worthwhile cause. Because of your commitment to tonights game, no child in Erie County will suffer from a lack of needed eye care.

Thanks to all of you who chose to attend this summer sports spectacular. Your attendance over the years has helped us provide more than $3 million in services for deserving youth in our community. Thank you for helping the Erie Lions Club as we work to complete our mission.

I would also like to thank all of those who help make this event possible; our coaches; officials; my fellow members of the Erie Lions Club for your ongoing dedication; our game presenters, UPMC Hamot Sports Medicine, Northwest Savings Bank, and Vorsheck Family Foundation; all of our wonderful sponsors and all the members of our community for your continued support of the Lions Club and Save an Eye Game. Have a great evening.

Steve Squeglia

The Save An Eye Football Game
A Life Changing Event

For some, The Save An Eye is just another high school football game, for those who play in it, it can be the event of a lifetime. For Bill Vorsheck, it was a life changing event twice!

Erie, PA – It was 1953 and at eighteen, Bill Vorsheck thought he knew exactly what he wanted in life – a high school diploma, marriage to his neighborhood sweetheart and a job in a local plant. Several colleges offered the young football star scholarships, but he wasn't interested. He didn't realize, however, how much he would miss football after graduation, and he soon learned that high school grads didn't get the area's dream jobs. Just two months after graduation, Bill faced what seemed like a long and dismal future.

Then came the invitation to play in the fifteenth annual Erie Lion's Club Save An Eye Football Game. Bill knew it was a chance of a life-time to play his beloved game one last time in the prestigious event in front of 10,000 local fans, and played his heart out. According to *The Erie Dispatch,* "Vorsheck, easily the County's outstanding performer, set up his team's fourth-period (and only) score when he deflected a punt by Rocco deep in City territory." And from *The Erie Times News,* "Bill Vorsheck, Lawrence Park's sensational end, was the big guy individually for the County... Vorsheck hauled down two straight passes in the fourth quarter for 19 yards and made 105 yards on the receiving end of five aerials as Ed Dalglish and Roger Brady pooled their talents for 111 yards through the air." Although the County lost as predicted, Bill was named the game's Most Valuable Player for his outstanding efforts.

Exhilarated and ears still ringing from the thunder of the crowd, Bill entered the locker room after the Game and found five college scouts awaiting his return with scholarship offers in hand. Life changed in a moment of team defeat but personal glory.

One week later Bill was enrolled and playing ball for Youngstown State University on a full football scholarship. After graduating with his Bachelor of Science in Education, Bill held several teaching jobs in the area including Ripley, NY, where he was a teacher and head football and basketball coach. He eventually settled down as a social studies teacher and head football and track coach at Girard High School. By the 1960's life was steady and good for Bill and his young family.

Known as a solid and inspired football coach, Bill was invited to lead the county all-stars in both the 1965 and 1967 Save An Eye Games. He was thrilled at the chance to experience the Game again; especially in 1967 which he felt would be his last game. As he had played his heart out in 1953, Bill coached his heart out in 1967. Against all odds and every prediction, the county "Suburbans" wiped the field with the city "Slickers" in an unprecedented 25-0 win in front of a record-setting crowd of 16,000 hometown fans.

Once again according to *The Erie Times,* "The fired up charges of Coaches Bill Vorsheck of Girard and Joe Moore of McDowell did a better clean-up job than the Ajax White Knight as they white-washed the City, 25 to 0." The September 5, 1967 article goes on to say, "It was a clean, well-played game…The City's biggest mistake was showing up. The Slickers were in the game for most of the first half, but as play progressed it was obvious that the County was in better physical condition and had come to play." They described Vorsheck's style as similar to the "old style of Coach Jack Landry" and praised his outstanding job.

Two other fans of Vorsheck's style were his 1967 co-coach, Joe Moore, and local physician, Dr. Daniel Snow. Bill credits the Save An Eye with bringing into his life these two men, who became his life-long friends and mentors. As a result, his career took another dramatic turn and he followed his heart into the realm of psychotherapy and medical hypnosis. He and Dr. Snow founded and operated The Erie Institute of Hypnosis from the 1970's until Bill retired and passed the business on to his son, Bill Jr. When asked what was the best thing to come of his second change in life-course, he doesn't hesitate to answer, "It's how I met my wife, Betsy!"

Bill and Betsy Vorsheck have committed themselves to support the Save An Eye Game as major sponsors this year and long into the future. The Erie Lions are grateful for their dedication to this outstanding athletic event and Bill is emphatic in his gratitude to the Lions in return. For some, The Save An Eye is a last chance to play football in front of their hometown crowd; for others it's the beginning of life-long friendships; and for still others, like Bill, The Save An Eye Game is all that and more…it's a life-changing event! ~

Anthony J. "Tony" Zambroski

June 16, 1930 - June 18, 2011

Coach Zambroski excelled at Cathedral Prep and earned a football scholarship to the University of Notre Dame where he played for legendary coach Frank Leahy and was a member of a National Championship team.

He was a legendary athletic director, coach, and teacher at Cathedral Prep with his career spanning for over 39 years. He paved the way for many successful careers for his players, most notably, Mike McCoy.

Coach Zambroski was a strong supporter of the Save an Eye game, playing in the 1947 game and coaching in the 1963 and 1968 games.

In addition, he was also a highly successful Head Coach of the Erie Jets and Erie Panthers Semi-Pro football teams of the 70's. In 1992, he was inducted into the Cathedral Prep Athletic Hall of Fame and the Erie Metropolitan Chapter of the Pennsylvania Sports Hall of Fame.

The Erie Lions Club is proud to dedicate this year's game to the memory of a great Erie legend...Mr. Tony Zambroski.
